

# CDA EASTLAND PARCHEM AGENCIES

CDA Eastland is now a Parchem Approved Trade Agent for Fosroc and Flextool at all of our NSW stores.

**At all CDA NSW locations, Parchem customers can continue to use their existing Parchem accounts.**

The former Parchem store at Beresfield is now CDA managed and joins the CDA network as our "Hunter Valley" branch. The Parchem Coffs Harbour store has relocated to CDA and the Parchem Tuggerah store has converted to a Dulux store with Fosroc and Flextool transferring to CDA Tuggerah.
